ETHNICITY

Some of the funding bodies from which we obtain funding ask us to provide information on the ethnic profile of our membership. This information is required for statistical purposes only, and we ask you to provide it voluntarily. To provide this information, please select the relevant number from the table below and enter it in the appropriate box for each person included in this membership application and renewal form.

OTHER INFORMATION

Please note that it is compulsory for existing members and new applicants to provide their full address with postcode and date of birth. Existing members must indicate this information even if provided in previous years in order to help us confirm the information that we have on record.

It is not compulsory to provide telephone numbers and email address, but it would help us to have this information in order to make it easier for us to contact you. The email address is particularly useful to receive regular information on tennis and social events happening at the Club – we only use the email and to some extent the notice board for this purpose, but not the post. But more crucially, for notices of a statutory nature such as general meeting notices and renewal notices that must be sent to all members, to have your email address for this purpose would save a considerable amount of time and effort to Executive Committee Members, who otherwise would have to print and post these notices. Finally, even if you provided last year your phone numbers and/or email address, please confirm them again in this form.

The membership fee includes the use of court floodlights outside daylight hours throughout the year at no additional cost to members. However, the floodlights may not be used after 22:00 hr.

If you are interested in coaching, either for adults or juniors, please contact the Club's Head Coach Tim Linton on 07867 872677 or tim.linton@tiscali.co.uk.
